LEARNING THAT STAYS WITH YOU

Gurukul 2025 brings to you a unique teaching experience—one that blends time-honored wisdom with the latest advancements in procedural dermatology

Learning in nature chintanika paddhati

Picture yourself discussing surgical techniques and aesthetic procedures in an open, serene setting. Teachers and students engage in reflective discussions, exploring the nuances of dermatology through real-life scenarios.

the power of stories kathakathan shiksha paddhati

Some of the best lessons in life come through stories. Our expert faculty will transport you into real-world clinical situations, narrating patient journeys that unfold step by step.

Learning through dialogue sambad paddhati

Ever wished to engage in a free-flowing conversation with top experts? Here, knowledge isn't just delivered—it's exchanged. The dialogue-driven sessions ensure that no question is left unanswered.

wisdom from experience anubhav kathan paddhati

Mistakes teach us just as much as success. In these sessions, seasoned dermatologists share their most challenging cases, the complications they faced, and the insights they gained.

इतिहासिक चर्चासत्र
तुम्हाला
परंपरेकडे इतिहास पढवता

What would you do in a tricky case? Instead of just listening to lectures, here you will be part of the problem-solving process. Experts present challenging cases, encouraging participants to suggest solutions before demonstrating the best approach.

the playful side of learning
करवता इतिहास पढवता

Dermatology has its share of funny, unexpected, and even embarrassing moments. In this light-hearted session, we explore real-life procedural mishaps, unusual patient requests, and humorous encounters.

टोलिबोरटोरिज जेवेल
इतिहास पढवता

There's no single way to approach a case, and this session proves it. Each expert offers a unique perspective, giving you a 360-degree understanding of dermatological challenges.

अ भविष्ये into the future
उपवता इतिहास पढवता

What does the future hold for dermatology? In this visionary session, we explore the latest advancements—from regenerative medicine and AI-driven diagnostics to next-generation aesthetic techniques.

At Gurukul 2025, learning is not just about absorbing information—this is education reimaged.

Are you ready to be a part of this extraordinary journey?
