

SCAR UPDATE 2025

19TH - 20TH JULY

SCHEDULE

DAY - 1

SATURDAY, 19TH JULY

Welcome and Introduction to ACSI DASIL SCAR SYMPOSIUM

Dr. Michael Gold, Dr. Venkataram Mysore, Dr. Salim T **14:00**

SESSION - 1: KELOIDS UNCOVERED

Moderator: Dr. Monal Jadwani

Chairs: Dr. Dhanashree Bhide, Dr. K. Seetharam

MEDICAL

- Dr. Shashi Kumar B M: Existing and emerging intralesional therapies in keloids
- Dr. Michael Gold: Silicon based therapies for scars and keloids: Current evidence and emerging innovations

Dr. Shashi Kumar B M **14:15**

Dr. Michael Gold **14:30**

PROCEDURAL AND SURGICAL

- Keynote Lecture: Latest treatments for keloids, hypertrophic and burn scars
- Q &A
- Hair restoration over scars: Challenges and solution
- Superficial radiation therapy for keloids
- Intralesional cryosurgery for the treatment of different types of auricular keloids
- Non-surgical combination therapy for keloids: A10 year follow-up study
- Q &A

Dr. Rei Ogawa **14:45**

15:15

Dr. Venkataram Mysore **15:45**

Dr. David Goldberg **16:00**

Dr. Yaron Har Shai **16:15**

Dr. Gisele Viana **16:30**

16:45

SESSION - 2: BURNS AND TRAUMATIC SCARS

Moderator: Dr. Ajay Dodeja

Chairs: Dr. Sharad Mutalik, Dr. Mark Roscher

- Combining fractional RF with unconventional adjuncts in burns and traumatic scars
- Trans Scar needling for hypertrophic and burn scars

Dr. Fadi Hamadani **17:15**

Dr. Des Fernandes **17:30**

SESSION - 3: SURGICAL MANAGEMENT OF SCARS

Moderator: Dr. Ajay Dodeja

Chairs: Dr. Des Fernandes, Dr. Yogesh Bhingradia, Dr. Samkit Shah

- Principles of surgical scar revision
- Cutting against RSTL: An exploration of excision
- Surgical strategies in keloid management
- Q &A

Dr. Savitha A S **17:45**

Dr. Yogesh Bhingradia **18:00**

Dr. Raghunatha Reddy **18:15**

18:30

SCHEDULE

DAY - 2

SUNDAY, 20TH JULY

SESSION - 1: SCAR PHYSIOLOGY

Moderator: Dr. Pooja

Chairs: Dr. Narendra Patwardhan, Dr. S Sacchidanand

- The science of scarring: A histopathological perspective Dr. Chirag Desai 14:00

SESSION - 2: NON-LASER TECHNOLOGIES FOR SCAR MANAGEMENT

Moderator: Dr. Pooja

Chairs: Dr. Chirag Desai, Dr. Anurag Tiwari

- Scar treatment utilising laser microjet injector Dr. Changkeun Oh 14:15
- MNRF with combinations in the attenuation of atrophic scars Dr. Atula Gupta 14:30
- Synergistic approaches to striae: Microneedling FRF and bio stimulating injectables Dr. Fotini Bageorgou 14:45
- Q & A 15:00

SESSION - 3: REGENERATIVE MEDICINE AND INJECTABLES IN SCAR MANAGEMENT

Moderator: Dr. Drashti

Chairs: Dr. Anil Ganjoo, Dr. Shuken Dashore, Dr. Srinivas

- Regenerative techniques for scar remodeling Dr. Atchima Suwanchinda 15:15
- Cell therapies in the field of scar management Dr. Esther Middelkoop 15:30
- Use of Dermal Substitutes in prevention and treatment of excessive scarring Dr. Robert Kirsner 15:45
- Advancing scar outcomes with neuromodulators, exosomes and fillers Dr. Shehnaz Arsiwala 16:00
- Next Gen regenerative acne scar therapies Dr. Niti Khunger 16:15
- Biological remodeling of scars: Fat grafting and nanofat as regenerative tools Dr. Aniketh Venkataram 16:30
- Radiesse diluted plus RF needling device in the management of striae Dr. Sonja Sattler 16:45
- Q & A 17:00

SCHEDULE

DAY - 2

SUNDAY, 20TH JULY

SESSION - 4: LASERS FOR SCAR MANAGEMENT

Moderator: Dr. Drashti Devani
Chairs: Dr. Michael Gold, Dr. Shyamanta Barua, Dr. Maya Vedomurthy

• Non ablative fractional lasers in scar remodeling	Dr. Firaz Al-Niami	17:15
• Pneumatic needle free injection combined with AFL for atrophic acne scars	Dr. Matteo Tretti Clementoni	17:30
• Synergistic wavelengths: Hybrid lasers in scar remodeling	Dr Swapnil Shah	17:45
• Vascular mitigation of scars	Dr. Salim T	18:00
• Combination techniques for Acne scars	Dr. Dhanraj Chavan	18:15
• Reviving depressed scars: The new frontier with picosecond lasers	Dr. B S Chandrashekar	18:30
• Keynote lecture: Targeted therapies: Transforming keloid scar treatment through symptom specific strategies	Dr. Ardeshir Bayat	18:45
• 2910 nm laser for the treatment of scars	Dr. Thomas M Beachkofsky	19:15
• Updates on laser treatment of scars	Dr. Jill Waibel	19:30
• Q &A		19:45
• Closing Remarks	Dr. Atula Gupta, Dr. Pradeep Kumari	20:15
